Please provide the proposed dates of the externship (approximate dates will be satisfactory, if precise dates are not available):

When and with whom will you carry out your extern activity or other project? (Note: preference will be given to activities in the United States or Canada):

Why did you select this particular practice to further your small ruminant knowledge?

Please estimate your probable expenses, and state clearly how much AASRP help you will need.
Note 1 – A student may apply for an AASRP grant more than once with a **\$750.00 maximum** total. Awards are typically \$250 - \$300. Initial payment will be 75% of the grant.
Note 2 – A brief report, which may be published in the **Wool & Wattles** (the AASRP newsletter), is required within 30-days of completion of an activity for which grant is made. **After that report is received**, the other 25% of the grant will be paid. **If the report is not received within 30 days of completion of the externship, the remaining 25% is forfeited and will not be paid.** Reports should be emailed to aasrp@aasrp.org
